IN THE SPECIFICATION

- 15 Please replace Paragraph 0001 of the specification with the following:

This application is a continuation-in-part of, and claims priority to, U.S. Patent
Application No. 09/764,688, filed on Jan. 16, 2001, by Inventors Fitzmaurice et al., and entitled
'MULTIPLE-SERVICE CARD SYSTEM', now U.S. Patent No. 6,742,704, which itself claims
priority to U.S. Provisional Patent Application No. 60/177,530, filed Jan. 21, 2000; and U.S.

Allowable Subject Matter

3. Claims 1-4, 6-14, 16-26, and 28-35 are allowed.

4. The following is the Examiner’s statement of reasons for allowance: the claims are
10 directed at a method for providing a multiple-service card. The application contains a service partner application information and credit card application information, and both have to approve the use of the card at approved establishment. Such combination card is generally known in the art. However, cited references, taken alone or in combination, fail to disclose or suggest transferring an account to a second service partner, or use of condition header in manipulating
15 the first and second data sets as previously acknowledged in previous Office Action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
